**Support for HB 6575: AA concerning Risk-Limiting  
Audits for Election Results**

Honorable Members of the Government Administration and Elections Committee:  
Thank you for drafting HB 6575 concerning Risk-Limiting Audits for Election  
Results.

The League of Women Voters of Connecticut seeks to make it easier for eligible  
voters to register and maintain their voter registration, to promote active citizenship,  
**to build confidence in elections and government**, and to move towards  
environmental sustainability.

A pilot program on risk-limiting audits conducted by the methods prescribed in this  
draft of the legislation should help build confidence in elections conducted by  
Connecticut's sworn elections officials and identify any areas, including foreign  
interference, that need attention.

*The League of Women Voters of Connecticut supports HB 6575 and urges you to  
pass it and send it to the General Assembly for a full vote.*
